## **Professional Geologist**

Rone Engineering is seeking a Texas licensed Professional Geologist (P.G.) for our Dallas office with knowledge and experience in environmental consulting, due diligence, regulatory compliance, investigation, and evaluation associated with soil and groundwater contamination. Experience and understanding of TCEQ Petroleum Storage Tank (PST) Program rules and Texas Risk Reduction Program (TRRP) rules is required. Strong background in Voluntary Cleanup Program (VCP), Innocent Owner/Operator Program (IOP), Municipal Setting Designations (MSDs) and Vapor Intrusion Assessments is desired.

**Status:** Full-time- Monday – Friday 8-5 (potential for Hybrid schedule)

**Location:** Dallas, TX (Hwy 183 and Regal Row)

**Salary:** \$90k/yr but is negotiable depending on experience

### **Requirements**

Bachelor of Science in Geology or Earth Science required

Prefer a minimum of 5 years of experience in environmental consulting

Excellent written and verbal skills and ability to communicate with clients.

**Certification:** Must possess current certification as Professional Geologist in Texas and 40-Hour HAZWOPER certification. TCEQ LPST Specialist and Corrective Action Project Manager (CAPM) not required but preferred.

### **Essential Functions:**

- Prepare proposals and workplans for projects including soil/groundwater/vapor assessments, sampling, monitoring, and soil and groundwater remediation.
- Direct, supervise, and mentor small team of staff professionals and subcontractors supporting project work.
- Perform environmental field work (soil/groundwater/vapor sampling, remediation and UST removal oversight, etc.).
- Prepare environmental reports (Phase II ESAs, investigation/assessment reports, work plans, technical memoranda, groundwater monitoring reports, RDRs, ARFs, SCRs, APARs, RAPs, RACRs, SWPPPs etc.) for client review and submittal to TCEQ or appropriate agency.
- Meet with representatives of cities and municipalities, as required.
- Discuss findings and options with clients.

### **Benefits:**

- 401 (k) with 4% match
- Dental Insurance
- Health Insurance
- Paid time off
- Vision Insurance
